

The Barzilai Family bows its head and shares the grief of the families.

We chose to share a few words of separation of the families from their dearest family members who were murdered during the invasion of the terrorists to the kibbutzim which are on the border of Gaza district

**Yigdal Alam from the housekeeping array separates from her son Maro**

The heart is broken sergeant Maro Alam.

Maro was a magic child with a smile that cannot be described. A special smile that when someone sees it can understand and feel how kindhearted he was. He was very friendly, full of joy, beloved, funny, but also an introverted child. He was a naïve kid and never did any harm to anyone. He had a golden heart and a charming laughter. One cannot stop loving him. He saw his family first and cared for his brothers, for their safety and for their needs. His priority was honoring his parents. He never forgot his family. He was really a golden boy and nobody will forget him. We shall love forever and we already miss you.

**Bat Sheva' Ilooz, social worker, separates from her son Ilya**

Ilya My dearest son

I miss you so much and I want to hug you. I have no words that can describe what I feel. Part of my heart is missing and will never be the same again. I ask myself, how can life continue while my sun is sinking? I don't have any consolation. I just buried my son. A rough decree fell on me. My Ilya, my heart wants you, needs you. My soul is not the same. I love you forever my treasure.

**Dorit Heinikin, chief technician of the Imaging Institute, separates from her husband Reuven**

Reuven was murdered on Monday 9<sup>th</sup> of October 2023 during the invasion of terrorists to the barn. He was the manager of the barn during the last 17 years. Since Saturday, and as the terrorists attacks started, the cows did not get any food and were not milked. On Monday, Reuven was issued a permission from the army to go to moshav Kissufim and feed the cows. Unfortunately the terrorists were waiting there and as soon as they saw him they shot him and he fell dead. We shall remember his joy of life and his endeavor to help other people.
